

Prayer Requests:

- safe travels, wisdom and ingenuity for both teams in Rwanda from February 6-18th
- that the Missions Fests will yield both volunteers and partnering ministries
- for a bookkeeper / admin volunteer who can help us navigate our new charitable donation status

Praise Items:

- charitable donation status for eMi Canada!
- Jason (UVic) & Phil (UofA, Taylor), two great interns willing to work hard

Office Needs:

- 3 LCD monitors for work stations

We're Official!

Registration

For well over a year, eMi Canada has been in the process of obtaining its charitable donation status. Just before the end of the year, we were thrilled to discover that our application had been approved! This means that eMiC is now (finally) a registered charity in

Canada. Of course, this also means that we're hard at work putting into place the administrative procedures required to keep the donation process running smoothly. And all this has meant a few changes in how you can give to eMi:

Cheques can be made out to *eMi Canada 4626 Bowness Rd Calgary AB T3B 2H4*

Electronic Fund Transfers (also known as *Automatic Withdrawals*) can be set up by downloading this [form](#) and sending it (along with a voided cheque) to eMiC

On-line (credit card) donations can be processed through [CanadaHelps](#)—both one-time and recurring donations

Thanks to those of you who have partnered with the ministry of engineering Ministries international Canada from when it first opened its doors until now. You truly *are* helping us design a world of hope.

Missionsfest Season

'Tis the season . . . for Missions fests. eMi Canada is once again participating in Missionsfests in Vancouver (Jan) and Edmonton (Feb), and, for the first time, will have a booth at Missionsfest Toronto (Mar). Missionsfests are vital to our ministry, both to recruit volunteers - we've had volunteers who we met at Missionsfests on most of our project trips this year - as well as to connect with missions organizations who could use our services. If you're attending a Missionsfest, drop by our booth, say hi, and come see what we've been up to.

Volunteer Position

In Calgary? Consider inserting the following in your church's bulletin:

Engineering Ministries International Canada (www.emicanada.org) is looking for an administrator/bookkeeper to volunteer about 8 hrs a week in their local office located on Bowness Rd near Market Mall. eMiC has recently received its charitable donation status, and needs a volunteer to assist them with the increased administrative functions, including managing donations, reconciling accounts, and preparing reports. For more information, contact info@emicanada.org or 202-3642.

eMiC Upcoming Project Trips
